

IMPORTANT MEMO
GILMORE PLACE – RESIDENTIAL PARKING

Onni Property Management Services Ltd. (Seymour Parking Management) has implemented state-of-the-art parking equipment to ensure the safety of those entering/exiting the residential and commercial parking area(s). It is required that you register your license plate(s) with us in the parking portal as this will allow for the parking gate arm(s) to automatically open upon entering and exiting the parkade.

Once you have registered their license plates in our parking portal will receive an email verification advising that your parking portal is ready to access. This will allow you to revise your plate(s) at your discretion. If your plate does not read upon entering/exiting, you will need to enter your phone number at the kiosk as backup.

To register your vehicle(s) please fill out the below and email it to support@seymourparking.com prior to moving in.

Unit: _____ Address: _____
Name: _____
Phone: _____
Email: _____

License Plate 1: _____
License Plate 2: _____
Province: _____

Please note that residential visitor parking is located on P3 and visitor(s) must pull a ticket from the entry kiosk. Upon exiting, they are required to use one of the four validators located in that residential visitor parking area before leaving. Visitor(s) will have 15 minutes to leave the facility without payment.

If you have any questions or queries, please contact support@seymourparking.com.
